15th December 2021

Dear Parents and Carers

Essential Pupil Equipment

Although many of the Covid-19 restrictions were removed in September, some hygiene measures are still in place and therefore it is better for pupils to have their own equipment rather than to share. Giving out and collecting equipment also eats into valuable learning time. We would therefore appreciate your support in providing the following equipment for your child.

Blue handwriting pen	Whiteboard pen (dry wipe)
Pencil	Pencil crayons
Ruler (cm/mm)	Glue stick
Rubber	Pencil case (small)
Pencil sharpener	Highlighter
Green pen	Wired headphones for Computing
Small packet of tissues	Small bottle of hand sanitiser (optional)

We firmly believe in the importance of working together to prepare our pupils for life; one of the ways that we can do this is by helping them to take responsibility for their own learning. This includes them being prepared and organised for all lessons. Of course, we will continue to ensure that all pupils can participate in lessons.

With the water fountains not being used as part of the Covid-19 risk assessment, can we ask that all pupils have a water bottle in school containing water or flavoured still water, as we cannot accommodate queues of pupils needing drinks at the end of lunchtime and during lessons.

Thank you in advance for your continued support.

Yours sincerely

Mrs R Cox
Deputy Headteacher

As a school we establish and maintain an environment where children feel secure, are listened to and encouraged to talk.
