BIOLOGY

Click on the links below to find out more about the different careers available using **Biology**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. General Practitioner (GP)

<https://www.careerpilot.org.uk/job-sectors/medical/job-profile/gp>

2. Doctor (in a hospital)

<https://www.careerpilot.org.uk/job-sectors/medical/job-profile/hospital-doctor>

3. Nurse (in a hospital)

<https://www.careerpilot.org.uk/job-sectors/medical/job-profile/nurse>

4. Pharmacologist

<https://www.careerpilot.org.uk/job-sectors/medical/job-profile/pharmacologist>

5. Speech and Language Therapist

<https://www.careerpilot.org.uk/job-sectors/childcare/job-profile/speech-and-language-therapist>

6. Optometrist

<https://nationalcareers.service.gov.uk/job-profiles/optometrist>

7. Biomedical scientist

<https://www.careerpilot.org.uk/job-sectors/environment/job-profile/biomedical-scientist>

8. Midwifery

<https://www.unifrog.org/student/subjects/helping-people/nursing-and-midwifery>

9. Vet

<https://nationalcareers.service.gov.uk/job-profiles/vet#HowToBecome>

Real world examples – watch videos of people who work in careers using **Biology**

A GP - <https://icould.com/stories/adebola/>

An optometrist - <https://icould.com/stories/tulsi/> and <https://icould.com/stories/holly/>

A dentist - <https://icould.com/stories/anna-k/>

A midwife - <https://icould.com/stories/benash/>

A surgeon - <https://www.unifrog.org/student/subjects/featured/medicine>

A biomedical scientist - <https://www.unifrog.org/student/subjects/featured/medical-and-health-sciences>

A Zoology student - <https://www.unifrog.org/student/subjects/area-sciences/zoology>

CHEMISTRY

Click on the links below to find out more about the different careers available using **Chemistry**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Anaesthetist

<https://www.careerpilot.org.uk/job-sectors/medical/job-profile/anaesthetist>

2. Chemical Engineer

<https://www.unifrog.org/student/subjects/area-sciences/chemical-engineering>

3. Chemist

<https://www.careerpilot.org.uk/job-sectors/science/job-profile/chemist>

4. Forensic Scientist

<https://www.careerpilot.org.uk/job-sectors/data-network/job-profile/forensic-scientist>

5. Pharmacist

<https://nationalcareers.service.gov.uk/job-profiles/pharmacist>

6. Laboratory technician

<https://www.careerpilot.org.uk/job-sectors/science/job-profile/laboratory-technician>

7. Investment banking

<https://icould.com/stories/yvonne/>

Real world examples – watch videos and read stories about people who work in careers using **Chemistry**:

A pharmacist - <https://www.unifrog.org/student/subjects/area-sciences/pharmacy-and-pharmacology>

Studying chemistry at university - <https://www.unifrog.org/student/subjects/area-sciences/chemistry>

Studying sports science at university - <https://www.unifrog.org/student/subjects/area-sciences/sport-science>

A research scientist - <https://www.bbc.co.uk/bitesize/articles/zv2skmn>

A chemist - <https://www.bbc.co.uk/bitesize/articles/zkw6cqt>

A clinical research scientist - <https://www.bbc.co.uk/bitesize/articles/zrgn92p>

A paramedic - <https://www.bbc.co.uk/bitesize/articles/zmwsscw>

PHYSICS

Click on the links below to find out more about the different careers available using **Physics**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Aerospace Engineer

<https://www.careerpilot.org.uk/job-sectors/engineering-design/job-profile/aerospace-engineer>

2. Astronomer

<https://www.careerpilot.org.uk/job-sectors/science/job-profile/astronomer>

3. Broadcast Engineer

<https://nationalcareers.service.gov.uk/job-profiles/broadcast-engineer>

4. Civil Engineer

<https://www.careerpilot.org.uk/job-sectors/design-planning/job-profile/civil-engineer>

5. Energy Engineer

<https://www.careerpilot.org.uk/job-sectors/design-planning/job-profile/energy-engineer>

6. Meteorologist

<https://nationalcareers.service.gov.uk/job-profiles/meteorologist>

7. Nuclear Engineer

<https://www.careerpilot.org.uk/job-sectors/engineering-design/job-profile/nuclear-engineer>

Real world examples – watch videos and read stories about people who work in careers using **Physics**:

Studying Physics at university - <https://www.unifrog.org/student/subjects/area-sciences/physics>

Working on a nuclear site - <https://www.bbc.co.uk/bitesize/articles/zrw647h>

A minerals technology apprentice - <https://www.bbc.co.uk/bitesize/articles/zhhjy9q>

An aerospace engineer apprentice - <https://www.bbc.co.uk/bitesize/articles/zjq3jhw>

An aerospace engineer - <https://www.bbc.co.uk/bitesize/articles/zni9scw>

An electrical engineer - <https://www.bbc.co.uk/bitesize/articles/zvqyqp3>

An electrician - <https://www.bbc.co.uk/bitesize/articles/zrpdf4j>

A Formula 1 engineer - <https://www.bbc.co.uk/bitesize/articles/zvk3jhw>

MATHS

Click on the links below to find out more about the different careers available using **Maths**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Accountant

<https://nationalcareers.service.gov.uk/job-profiles/private-practice-accountant>

2. Actuary

<https://www.careerpilot.org.uk/job-sectors/finance-accounting/job-profile/actuary>

3. Cyber Intelligence Officer

<https://www.careerpilot.org.uk/job-sectors/data-network/job-profile/cyber-intelligence-officer>

4. Economist

<https://nationalcareers.service.gov.uk/job-profiles/economist>

5. Finance Adviser

<https://www.careerpilot.org.uk/job-sectors/finance-accounting/job-profile/financial-adviser>

6. Software Developer

<https://www.careerpilot.org.uk/job-sectors/software-systems/job-profile/software-developer>

7. Stockbroker

<https://www.careerpilot.org.uk/job-sectors/finance-accounting/job-profile/stockbroker>

8. Architect

<https://www.bbc.co.uk/bitesize/articles/z7thd6f>

9. A statistician

<https://www.unifrog.org/student/subjects/area-mathematical-sciences/statistics-and-econometrics>

Real world examples – watch videos and read stories about people who work in careers using **Maths**:

A software engineer - <https://www.unifrog.org/student/subjects/area-mathematical-sciences/software-engineering>

Computer Game Designer - <https://www.unifrog.org/student/subjects/area-mathematical-sciences/computer-games-design-and-games-programming>

An architect - <https://www.bbc.co.uk/bitesize/articles/z7thd6f>

Studying maths at university - <https://www.unifrog.org/student/subjects/area-mathematical-sciences/mathematics>

ENGLISH

Click on the links below to find out more about the different careers available using **English**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Advertising copywriter (produce words for print, TV, radio and online adverts)

<https://www.careerpilot.org.uk/job-sectors/sales-marketing/job-profile/advertising-copywriter>

2. Commissioning Editor (buy authors, book titles and ideas for publication)

<https://www.careerpilot.org.uk/job-sectors/media/job-profile/commissioning-editor>

3. Marketing executive

<https://www.careerpilot.org.uk/job-sectors/sales-marketing/job-profile/marketing-executive>

4. Magazine journalist

<https://nationalcareers.service.gov.uk/job-profiles/magazine-journalist>

5. Newspaper journalist

<https://nationalcareers.service.gov.uk/job-profiles/newspaper-journalist>

6. Screenwriter

<https://www.careerpilot.org.uk/job-sectors/games/job-profile/screenwriter>

7. Publishing

<https://www.unifrog.org/student/subjects/words/publishing>

Real world examples – watch videos and read stories about people who work in careers using **English**:

A marketing executive - <https://www.bbc.co.uk/bitesize/articles/zf4fhbk>

An apprentice journalist - <https://www.bbc.co.uk/bitesize/articles/z46p8xs>

Study creative writing at university - <https://www.unifrog.org/student/subjects/words/creative-writing>

Marketing - <https://www.unifrog.org/student/subjects/words/marketing>

A sports journalist - <https://www.bbc.co.uk/bitesize/articles/zr3xwty>

Freelance writer - <https://www.bbc.co.uk/bitesize/articles/zbgc6v4>

Study English language at university - <https://www.unifrog.org/student/subjects/keywords/english>

Journalist - <https://www.bbc.co.uk/bitesize/articles/z4ykscw>

HISTORY

Click on the links below to find out more about the different careers available using **History**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Archaeologist

<https://nationalcareers.service.gov.uk/job-profiles/archaeologist>

2. Archivist (look after and preserve historical records)

<https://nationalcareers.service.gov.uk/job-profiles/archivist>

3. Museum curator

<https://icould.com/stories/elizabeth-b-3/>

4. Legal executive

<https://nationalcareers.service.gov.uk/job-profiles/legal-executive>

5. Solicitor

<https://www.careerpilot.org.uk/job-sectors/property-management/job-profile/solicitor>

6. Sub-editor (check written content before it's published in newspapers, magazines and websites)

<https://www.careerpilot.org.uk/job-sectors/media/job-profile/sub-editor>

7. Secondary school teacher

<https://nationalcareers.service.gov.uk/job-profiles/secondary-school-teacher>

Real world examples – watch videos and read stories about people who work in careers using **History**:

Partner at a law firm - <https://icould.com/stories/anne-marie-p/>

Solicitor - <https://icould.com/stories/jeremy-p/>

A paralegal - <https://icould.com/stories/john-d/>

Studying history at university - <https://www.unifrog.org/student/subjects/keywords/history>

Historical costume designer - <https://www.bbc.co.uk/bitesize/articles/zwymjsg>

A senior researcher at the BBC - <https://www.bbc.co.uk/bitesize/articles/zv33nrd>

GEOGRAPHY

Click on the links below to find out more about the different careers available using **Geography**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Cartographer (designing and producing maps such as Google Maps)

<https://www.careerpilot.org.uk/job-sectors/software-systems/job-profile/cartographer>

2. Overseas aid worker (help people overseas affected by man-made and natural disasters)

<https://nationalcareers.service.gov.uk/job-profiles/aid-worker>

3. Airline pilot

<https://nationalcareers.service.gov.uk/job-profiles/airline-pilot>

4. Drone pilot

<https://www.careerpilot.org.uk/job-sectors/agriculture/job-profile/drone-pilot>

5. Ecologist (study the relationship between plants, animals and the environment)

<https://www.careerpilot.org.uk/job-sectors/environment/job-profile/ecologist>

6. Quantity Surveyor

<https://www.careerpilot.org.uk/job-sectors/on-site/job-profile/quantity-surveyor>

7. Seismologist

<https://www.careerpilot.org.uk/job-sectors/environment/job-profile/seismologist>

8. Town or city planner

<https://www.careerpilot.org.uk/job-sectors/design-planning/job-profile/town-planner>

9. Diplomatic Service Officer (protect British interests overseas)

<https://www.careerpilot.org.uk/job-sectors/government/job-profile/diplomatic-service-officer>

Real world examples – watch videos and read stories about people who work in careers using **Geography**:

Studying geology at university - <https://www.unifrog.org/student/subjects/keywords/geology>

Studying geography at university - <https://www.unifrog.org/student/subjects/keywords/geography>

A city planner for Westminster Borough Council - <https://icould.com/stories/nicole-n/>

An airline pilot - <https://icould.com/stories/jonathan-g/>

A helicopter pilot - <https://www.bbc.co.uk/bitesize/articles/znbgpg8>

Secondary school geography teacher - <https://www.bbc.co.uk/bitesize/articles/znbgpg8>

A cartographer - <https://icould.com/stories/simon-d/>

A conservation trainee - <https://www.bbc.co.uk/bitesize/articles/zrvv7nb>

RELIGIOUS EDUCATION

Click on the links below to find out more about the different careers available using RE. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Further education lecturer (lecturer at a university)

<https://www.careerpilot.org.uk/job-sectors/education/job-profile/further-education-lecturer>

2. Psychotherapist (use talking techniques and therapies to help people)

<https://www.careerpilot.org.uk/job-sectors/medical/job-profile/psychotherapist>

3. Civil Servant (work in different government departments to help carry out policies)

<https://www.careerpilot.org.uk/job-sectors/admin-hr-legal/job-profile/civil-service-administrative-officer>

<https://www.careerpilot.org.uk/job-sectors/childcare/job-profile/primary-school-teacher>

6. Local government officer

<https://www.careerpilot.org.uk/job-sectors/government/job-profile/local-government-officer>

Real world examples – watch videos and read stories about people who work in careers using RE:

Studying theology at university - <https://www.unifrog.org/student/subjects/keywords/theology-and-religion>

An outreach pastor - <https://www.bbc.co.uk/bitesize/articles/zmg9f4j>

A hospital chaplain - <https://icould.com/stories/anne-a/>

Primary school teacher - <https://icould.com/stories/kelly-a/>

A Member of Parliament (MP) - <https://www.bbc.co.uk/bitesize/articles/z74n6g8>

DRAMA

Click on the links below to find out more about the different careers available using **Drama**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Actor

<https://www.careerpilot.org.uk/job-sectors/performing-arts/job-profile/actor>

2. Arts Administrator (help to organise events and exhibitions)

<https://www.careerpilot.org.uk/job-sectors/arts-crafts/job-profile/arts-administrator>

3. Dramatherapist

<https://www.careerpilot.org.uk/job-sectors/childcare/job-profile/dramatherapist>

4. Director of photography (manage lighting and camera crews for TV and film)

<https://nationalcareers.service.gov.uk/job-profiles/director-of-photography>

5. Set designer

<https://www.careerpilot.org.uk/job-sectors/design/job-profile/set-designer>

6. Youth worker

<https://nationalcareers.service.gov.uk/job-profiles/youth-worker>

7. Social media manager

<https://www.careerpilot.org.uk/job-sectors/social-media/job-profile/social-media-manager>

8. Community arts worker

<https://www.careerpilot.org.uk/job-sectors/arts-crafts/job-profile/community-arts-worker>

Real world examples – watch videos and read stories about people who work in careers using **Drama**:

Studying drama and theatre studies at universities -

<https://www.unifrog.org/student/subjects/keywords/drama-and-theatre-studies>

A hair and make-up artist - <https://www.bbc.co.uk/bitesize/articles/z49fhcw>

A radio presenter - <https://www.bbc.co.uk/bitesize/articles/zd778xs>

A technical theatre apprentice - <https://www.bbc.co.uk/bitesize/articles/zrpct39>

A prop maker - <https://www.bbc.co.uk/bitesize/articles/zr8fjhv>

An actor - <https://www.bbc.co.uk/bitesize/articles/z6yg2sg>

A theatre wardrobe technician - <https://www.bbc.co.uk/bitesize/articles/znmxrj6>

A sound engineer - <https://www.bbc.co.uk/bitesize/articles/z4jn2sg>

A stage manager - <https://www.bbc.co.uk/bitesize/articles/zdbjcqt>

Art and Design

Click on the links below to find out more about the different careers available using **Art and Design**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Advertising art director

<https://www.careerpilot.org.uk/job-sectors/sales-marketing/job-profile/advertising-art-director>

2. Animator

<https://www.careerpilot.org.uk/job-sectors/design/job-profile/animator>

3. Art gallery curator

<https://www.careerpilot.org.uk/job-sectors/arts-crafts/job-profile/art-gallery-curator>

4. Graphic designer

<https://www.bbc.co.uk/bitesize/articles/zhf7qp3>

5. Fashion designer

<https://nationalcareers.service.gov.uk/job-profiles/fashion-designer>

6. Textile designer

<https://www.careerpilot.org.uk/job-sectors/design/job-profile/textile-designer>

7. User (UX) experience design (create websites and apps to meet consumer needs)

<https://www.careerpilot.org.uk/job-sectors/media/job-profile/ux-designer>

8. Visual merchandiser (create eye-catching displays in shops)

<https://www.careerpilot.org.uk/job-sectors/retail/job-profile/visual-merchandiser>

Real world examples – watch videos and read stories about people who work in careers using **Art and Design**:

Studying Fine Art at university - <https://www.unifrog.org/student/subjects/keywords/fine-art>

Studying Graphic Design at university -

<https://www.unifrog.org/student/subjects/keywords/graphic-design>

A user experience designer - <https://www.bbc.co.uk/bitesize/articles/zm2rvk7>

A graphic designer at the V&A museum - <https://icould.com/stories/joanne-g/>

A costume designer - <https://icould.com/stories/hannah-l/>

An animator - <https://icould.com/stories/maxwell-o/>

A fashion designer for the high street - <https://icould.com/stories/jeni-b/>

A computer game modeller - <https://icould.com/stories/mark-b-2/>

Computer Science

Click on the links below to find out more about the different careers available using **Computer Science**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. App developer

<https://www.careerpilot.org.uk/job-sectors/software-systems/job-profile/app-developer>

2. Automotive engineer (design, develop, test and build cars and motorbikes)

<https://www.careerpilot.org.uk/job-sectors/engineering-design/job-profile/automotive-engineer>

3. Computer games developer

<https://nationalcareers.service.gov.uk/job-profiles/computer-games-developer>

4. Cyber intelligence officer (gather information about threats to IT)

<https://www.careerpilot.org.uk/job-sectors/data-network/job-profile/cyber-intelligence-officer>

5. IT Director (manage the development of IT systems for organisations)

[https://www.careerpilot.org.uk/job-sectors/data-network/job-profile/head-of-it-\(it-director\)](https://www.careerpilot.org.uk/job-sectors/data-network/job-profile/head-of-it-(it-director))

6. Software engineer

<https://www.bbc.co.uk/bitesize/articles/zk32gwx>

7. Web designer (design new websites and develop existing ones)

<https://www.careerpilot.org.uk/job-sectors/design/job-profile/web-designer>

8. Broadcast engineer (make sure TV, radio and online broadcasts run smoothly)

<https://www.careerpilot.org.uk/job-sectors/media/job-profile/broadcast-engineer>

Real world examples – watch videos and read stories about people who work in careers using **Computer Science**:

Study electronic engineering at university -

<https://www.unifrog.org/student/subjects/keywords/electronic-and-electrical-engineering>

Study computer science and AI at university (with industry placements) -

<https://www.unifrog.org/student/subjects/featured/computer-science-and-ai>

Study Computer Games Programming at university -

<https://www.unifrog.org/student/subjects/featured/computer-games-design-and-games-programming>

Cyber Security apprentice - <https://www.bbc.co.uk/bitesize/articles/zjvf2sg>

A software engineer - <https://www.unifrog.org/student/subjects/featured/software-engineering>

A coder - <https://www.bbc.co.uk/bitesize/articles/zmq3jvhv>

An app developer - <https://www.bbc.co.uk/bitesize/articles/zhgn92p>

Modern Foreign Languages (MFL)

Click on the links below to find out more about the different careers available using **MFL**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. English as a foreign language (EFL) teacher

<https://www.careerpilot.org.uk/job-sectors/education/job-profile/efl-teacher>

2. Events manager (organise and run business, promotional and social events)

<https://www.careerpilot.org.uk/job-sectors/events/job-profile/events-manager>

3. Cabin crew

<https://www.careerpilot.org.uk/job-sectors/food-drink/job-profile/cabin-crew>

4. Translator (translate written words into another language)

<https://www.careerpilot.org.uk/job-sectors/wellbeing/job-profile/translator>

5. Interpreter (convert spoken word from one language to another)

<https://nationalcareers.service.gov.uk/job-profiles/interpreter>

6. Speech and Language Therapist

<https://nationalcareers.service.gov.uk/job-profiles/speech-and-language-therapist>

Real world examples – watch videos and read stories about people who work in careers using **MFL**:

1. Studying languages at university:

Spanish and Chinese - <https://www.unifrog.org/student/subjects/keywords/spanish-and-spanish-studies>

German - <https://www.unifrog.org/student/subjects/keywords/german-and-german-studies>

French - <https://www.unifrog.org/student/subjects/keywords/french-and-french-studies>

2. Studying different cultures at university:

Middle eastern Studies - <https://www.unifrog.org/student/subjects/keywords/modern-middle-eastern-studies>

Asian studies - <https://www.unifrog.org/student/subjects/keywords/asian-studies>

Japanese studies - <https://www.unifrog.org/student/subjects/keywords/japanese-and-japanese-studies>

Russian studies - <https://www.unifrog.org/student/subjects/keywords/russian-and-east-european-studies>

Portuguese studies - <https://www.unifrog.org/student/subjects/keywords/portuguese-and-portuguese-studies>

Italian studies - <https://www.unifrog.org/student/subjects/keywords/italian-and-italian-studies>

Business

Click on the links below to find out more about the different careers available using **Business**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Business Analyst (work with organisations to help them change and improve)

<https://www.careerpilot.org.uk/job-sectors/admin-hr-legal/job-profile/business-analyst>

2. Project Manager (plan and organise people and resources to complete a project on time)

<https://www.careerpilot.org.uk/job-sectors/agriculture/job-profile/business-project-manager>

3. Estate Agent

<https://www.careerpilot.org.uk/job-sectors/sales-marketing/job-profile/estate-agent>

4. Market Researcher

<https://www.careerpilot.org.uk/job-sectors/sales-marketing/job-profile/market-researcher>

5. Retail buyer (choose products for shops to sell)

<https://nationalcareers.service.gov.uk/job-profiles/retail-buyer>

6. Retail merchandiser (make sure goods are on sale at the right price and in the right stores)

<https://nationalcareers.service.gov.uk/job-profiles/retail-merchandiser>

7. Sales Manager (organise, coach and lead teams of sales representatives)

<https://www.careerpilot.org.uk/job-sectors/arts-crafts/job-profile/sales-manager>

8. Social media manager

<https://www.careerpilot.org.uk/job-sectors/social-media/job-profile/social-media-manager>

9. Public Relations Officer (manage the reputation and image of organisations)

<https://www.careerpilot.org.uk/job-sectors/sales-marketing/job-profile/public-relations-officer>

Real world examples – watch videos and read stories about people who work in careers using **Business**:

Study public relations at university - <https://www.unifrog.org/student/subjects/keywords/public-relations>

Study business management at university - <https://www.unifrog.org/student/subjects/keywords/business-and-management>

A marketing manager - <https://www.bbc.co.uk/bitesize/articles/zrtqqp3>

A business development intern - <https://www.bbc.co.uk/bitesize/articles/z47b2sg>

A recruitment apprentice - <https://www.bbc.co.uk/bitesize/articles/zh29hbk>

A corporate social responsibility coordinator - <https://www.bbc.co.uk/bitesize/articles/zm8rhhbk>

Food Technology

Click on the links below to find out more about the different careers available using **Food Technology**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Chef

<https://www.careerpilot.org.uk/job-sectors/food-drink/job-profile/chef>

2. Baker

<https://www.careerpilot.org.uk/job-sectors/food-drink/job-profile/baker>

3. Catering Manager

<https://www.careerpilot.org.uk/job-sectors/events/job-profile/catering-manager>

4. Food scientist (develop new food and drink products)

<https://www.careerpilot.org.uk/job-sectors/food-drink/job-profile/food-scientist>

5. Nutritional Therapist (give people advice on diet and nutrition)

<https://nationalcareers.service.gov.uk/job-profiles/nutritional-therapist>

6. Nutritionist (share scientific knowledge on the effects of diet on health and wellbeing)

<https://www.careerpilot.org.uk/job-sectors/medical/job-profile/nutritionist>

Real world examples – watch videos and read stories about people who work in careers using **Food Technology**:

Studying Food Manufacturing at university -

<https://www.unifrog.org/student/subjects/keywords/food-and-beverage-studies>

Studying Nutrition at university - <https://www.unifrog.org/student/subjects/featured/nutrition>

A Head Chef - <https://icould.com/stories/brian-n/>

A sous chef - <https://www.bbc.co.uk/bitesize/articles/zjmct39>

A baker - <https://www.bbc.co.uk/bitesize/articles/zvmjbdm>

A chef and food vlogger - <https://www.bbc.co.uk/bitesize/articles/z4fq382>

A restaurant assistant manager - <https://www.bbc.co.uk/bitesize/articles/z4v7bdm>

Front of house manager - <https://icould.com/stories/nikky-k/>

Music
