6th September 2022

Dear Parents/Carers,

Scientific Calculators

In Maths at Key Stage 3, pupils will need to become increasingly familiar with the use of a scientific calculator. It is also helpful if all KS3 pupils have the same calculator with the same functions.

After consulting with North Bromsgrove High School I am able to offer pupils the chance to buy their own scientific calculator, which is suitable for KS3 and KS4 - if looked after, it will see your child through GCSE Maths and even beyond.

If you would like to purchase a calculator at a cost of £6.24 each, please complete the form via the link below and pay via ParentPay (accessed via the school website).

<https://forms.office.com/r/Mk7f7mMKxs>

The calculator will be given to your child once payment has been received.

Yours sincerely,

Mrs Z Brittle
Head of KS3 Maths

As a school we establish and maintain an environment where children feel secure, are listened to and encouraged to talk.

Parkside Middle School is committed to safeguarding and the PREVENT strategy and promoting the welfare of children and young people. We expect all staff and volunteers to share this commitment. Pupils learn to accept and uphold our fundamental British values.
