

# How to search for a job online

## Student Activity (SEND)

The thought of looking for a job can be overwhelming and scary.

However, we all must start somewhere. This work sheet will go through step by step how to search for a job vacancy online.

There will be some pointers on what to look for and a break down on some of the jargon and what to expect.

Take your time and be prepared to apply for multiple jobs. They say for every 10 jobs you apply for you should expect to get an interview for one.

Good Luck!

### SECTION 1

Follow the step by step guide below to learn how to search for a job online

#### STEP 1

# 10

## STEP 10

If the job looks good to you

then why not apply

When you click apply there may be a few different things that might happen, let's have a look at what they might be so you can be prepared.

- > The link takes you to the company website. You will then have to follow their process through their website.
- > You may need to log in or create an account. Once you have done this you can upload your CV and a covering letter. There may also be a few additional questions to answer.
- > You might be asked to complete an application form. Use the information from your CV to help you complete the form.
- > Lastly, you might have been provided with contact details to send your CV and covering letter too.

1) Open your email account

2) Start a new email adding the details you have been provided with

3) Attach your CV and covering letter to the email

4) Make sure you also add a few sentences to the email, this example might help:

Dear (add their Name)

I am writing to express my interest in the (add position) listed on (add website). I have attached my CV and covering letter for your attention.

I hope you find all the information you require however, if I can provide any further information please do not hesitate to get in touch with me.

I will look forward to hearing from you soon.

Yours sincerely

(Add your name)

5) Double check everything is attached, and your spelling is correct and send.
